But dawn would break upon the third day, when you rose up from the grave
Death was conquered, sin defeated, all of hell could not deny
The empty tomb, the risen Savior, our God is still a - live!
Yes, our God is still a - live!

VERSE 4

We are longing for that hour when you make your presence known
And you return with heaven's power and will fin'ly take us home

What a Savior -

Until that day you come in glory, we will tell the story of
Your saving grace, Your wondrous mercy, and Your everlasting love

CHORUS 2

What a Savior, great redeemer
Mighty God and truest friend
King of kings and Lord of lords
Son of God and Son of Man
What a Savior, great redeemer
Mighty God and truest friend
King of kings and Lord of lords
Son of God and Son of Man
Son of God and Son of Man
Son of God and Son of Man
