

For the Glory [Lyrics]

[Default Arrangement]

INTRO

VERSE 1

Scripture alone we hold as true
The words of man will never do
The truth of God inspired
Through faith alone we have received
The gospel truth we have believed
Nothing else required

CHORUS

For the glory, for the glory
For the glory of God and God alone

VERSE 2

By grace alone salvation comes
Not by works which we have done
The gift we never earned
In Christ alone the only way
No man will need to mediate
For none can match His worth

CHORUS 2

For the glory, for the glory
For the glory of God and God alone
Every nation, join creation
To give glory to God and God alone

BRIDGE

Scripture alone will never fade
Its truth has sanctified
Through faith alone we are saved
The cross has justified
By grace alone the price is paid
God's wrath is satisfied
In Christ alone our hope is stayed
Jesus, be glorified
