

Hallelujah (O What A Savior) [C]

[Default Arrangement] by Travis Agnew

C/E **Am** **F**
I had wandered off on my own
C/E **Am** **F**
Found myself in a place far from my home
C/E **Am** **F**
I was scared to say the least
C/E **Am** **F** **G** **C**
Dm **C/E** **F**
My only hope was that my Shepherd had not forgotten me

C/E **Am** **F**
It didn't take Him too long
C/E **Am** **F**
To find that one sheep that was lost
C/E **Am** **F**
But as He took me into His arms
C/E **Am** **F**
I was worried maybe this time I'd gone too far
Am **E7/G#** **G**
D/F#
But as He knelt beside me, He broke the legs I walked upon
F **G**
But I heard these voices ringing strong
And they were singing

C **Dm** **C/E** **F**
Hallelujah, O what a Savior
Am **G** **F**
When I can't walk, You carry me
C **Dm** **C/E** **F**
Hallelujah, how can I thank You?
Am **G** **F**
Your blood has washed me clean

C/E **Am** **F**
I didn't know what to say
C/E **Am** **F**
It was my sin that had put me in this place
C/E **Am** **F**
And so as my final plea
C/E **Am** **F**
O God, renew a steadfast spirit in me
Am **E7/G#** **G**
D/F#
Night began to fall all around us and I knew I'd be left for dead
F **G**
But He carried me instead
And I was singing
